Name: _____

What would happen if no one obeyed stop signs, traffic lights, and speed limits? Chaos! Mayhem! And, no doubt, someone would get hurt. Luckily, there are “rules of the road” in place to keep drivers safe.

Now think about how we can keep ourselves and others safe from labels, prejudice, and stereotypes. With an adult, come up with your own “Rules of Respect” that will keep you and others safe from the harm that labels, prejudice, and stereotypes can do. Make sure your rules tell others what *to* do, rather than what *not* to do.
