# Real-World Training

## For Real-World Challenges

For 95 years, we have worked closely with a range of agencies and organizations, growing our knowledge of government and developing an extensive resource pool of staff, curriculum experts, and instructors with federal experience. Graduate School USA provides relevant, responsive services in support of both organizational and personal achievement. We create and deliver expert training and workforce development.

Whatever your agency's needs, you'll find that our training serves individuals across the spectrum of skills, specialties, and experience.

## A Full Service Provider

We are a full service provider of professional education and training. Our extensive array of products and services are designed specifically to enable individuals and organizations to work more effectively and efficiently in advancing the core missions and strategic directions of government.

## GSUSA Delivers

- Over 300 courses designed specifically for federal government careers and agency talent development needs, with flexibility to create custom learning programs
- Existing and customizable certificate programs that enable federal employees to advance their careers and contribute to their agency's mission-critical initiatives
- Extensive faculty and subject matter expert resources
- Curriculum design and development
- Multi-modal delivery capabilities
- Management acumen covering the full lifecycle of training program management, across the country and abroad
- The development of course objectives, exercises, activities and materials that meet specific agency training requirements and time restrictions

# Graduate School USA

## Relevant Training Supporting Federal Workforce Development

Since 1921, Graduate School USA has supported those in public service with resources that help them grow and achieve. Our federally focused courses and programs are mapped to core competencies and delivered by instructors with real-world government experience. With our long-standing relationship as government's trusted training partner, we provide the superior workforce solutions that promote organizational effectiveness and efficiency.

## Bring Us to You!

Understanding your organization's goals and training your staff to achieve them is our number one mission. That's why we have hundreds of classroom and online courses, in a wide range of subject areas, that we can bring right to your doorstep.

Whatever your learning requirements. Graduate School USA can customize and deliver quality courses for your organization anytime and anywhere.

Visit [graduateschool.edu/onsite](https://graduateschool.edu/onsite) for more information.

# On-site Training

## What's in it for you:

### Cost Savings

As your organization's training needs increase, so does the need to minimize the costs associated with it. By bringing Graduate School USA's courses to your location, you can eliminate the cost of sending your staff to another site. Choosing on-site training means your organization will:

- Eliminate travel costs such as employee airfare, transportation, per diem, parking, and rental cars.
- Maximize employee training time with no need for travel, overtime, or compensatory pay.
- Save with pricing levels based on number of participants.

### Convenience

- Choose the best time to learn based on your employees' workloads and schedules.
- Benefit from courses scheduled to fit your needs.
- Experience turn-key delivery. You pick the training, time, and place, and we handle the rest.

### Relevance

- GSUSA courses are modularized, which allows for on-demand training engagements.

### Specialized Client Services

- Get assistance with site selection, scheduling, marketing, and more.

### Delivery Format

- Select from a variety of formats, including instructor-led classroom sessions or a variety of distance education options.

# Use the GSA Schedule for best value and convenience.

With over 300 courses to choose from, our firm fixed-price group pricing for on-site training provides you and your agency with the "best value" so you can stretch and leverage your training funds. To meet your specific training needs, an "account manager" will be assigned in order to provide the best solutions for your training challenges.

Graduate School USA is an approved contract holder to provide consulting and training services under **Professional Services Schedule, SIN C874**.

## 874-1 Integrated Consulting Services:
