DoDFM Certification Training

Graduate School USA (GSUSA) can help you achieve Financial Management Certification.

Aligned DoDFM Courses

DoD has aligned more than 100 active Graduate School USA courses with its Financial Management and Leadership competencies. Each of these courses is available for individual registration or for on-site delivery. We can help you meet your certification requirements cost-effectively and conveniently.

On-site Training

What's in it for your organization?

Understanding your organization's goals and training your staff to achieve them is our number one mission. That's why we can bring our DoDFM-aligned courses right to your doorstep.

Cost Savings

- Eliminate travel costs, such as employee airfare, transportation, per diem, parking, and rental cars.
- Maximize employee training time with no need for travel, overtime, or compensatory pay.
- Save with pricing levels based on the number of participants.

Convenience

- Choose the best time to learn based on your employees' workloads and schedules.
- Benefit from courses scheduled to fit your needs.
- Experience turn-key delivery. You pick the time and place, and we handle the rest.

Relevance

- Incorporate examples and content specific to your organization.

Delivery Format

- Select from a variety of formats, including instructor-led classroom sessions or a variety of distance education options.
