

# R34

---

This November, ROW 34 is proud to donate proceeds from “**Rafe’s Royalties**” to the International FOXG1 Foundation.

FOXG1 is a rare genetic neurological disorder that greatly impacts brain development and typically causes epilepsy and cognitive disabilities. Most children cannot walk, talk or take care of their own basic needs. This disorder is incredibly rare with only 900 known cases worldwide.

A tradition we started a few years ago, we are honored to support the work this foundation does. If you would like to learn more or donate, please visit [FOXG1.org](http://FOXG1.org)
