Step #1: The Power of the 4-group

Created by
Lynn Kuske, M.Ed.

Name

Color the 1 dot
on the snowman.
Count the dot.

Color the circle.
Count the circle.

Color the triangle.
Count the triangle.

Color the square.
Count the square.

Color the cube.
Count the cube.

Color the triangle.
Count the triangle.

Color the shapes that show 1.

1 circle

1 block

1 triangle

Color the shapes that show 1.

Find and color the 1's.

Color the matching 1's the same color.

Color the dots
using one color.
Count the dots.

Color the circles using one color.
Count the circles.

Color the triangles using one color.
Count the triangles.

Color the squares using one color.
Count the squares.

Color the cubes using one color.
Count the cubes.

Color the triangles using one color.
Count the triangles.

Color the shapes that show 2. Use one color for each 2.

2 circles

2 blocks

2 triangles

Color the shapes that show 2. Use one color for each 2.

Find and color the 2's. Use one color for each 2.

Color the matching 2's the same color.

Color the dots
using one color.
Count the dots.

Color the circles using one color.
Count the circles.

Color the triangles using one color.
Count the triangles.

Color the squares using one color.
Count the squares.

Color the cubes using one color.
Count the cubes.

Color the triangles using one color.
Count the triangles.

Color the shapes that show 3. Use one color for each 3.

3 circles

3 blocks

3 triangles

Color the shapes that show 3. Use one color for each 3.

Find and color the 3's. Use one color for each 3.

Color the matching 3's the same color.

Color the dots
using one color.
Count the dots.

Color the circles using one color.
Count the circles.

Color the triangles using one color.
Count the triangles.

Color the squares using one color.
Count the squares.

Color the cubes using one color.
Count the cubes.

Color the triangles using one color.
Count the triangles.

Color the shapes that show 4. Use one color for each 4-group.

4 circles

4 blocks

4 triangles

Color the shapes that show a 4-group. Use one color for each 4-group.

Find and color the 4-groups. Use one color for each 4.

Color the matching 4-groups the same color.

Color the matching number patterns the same color. Use one color for each number.

Color the matching numbers the same color.

Draw a line to match the number to the picture. Color the birds.
Use one color for each number.

Color the apples. Use one color for each number.
Draw a line to match the picture to the number.

Color the shapes. Use one color for each number. How many do you see? Circle the number.

1 2 3 4

1 2 3 4

1 2 3 4

1 2 3 4

1 2 3 4

1 2 3 4

Color the shapes. Use one color for each number. How many do you see? Circle the number.

 1 2 3 4	 1 2 3 4
 1 2 3 4	 1 2 3 4
 1 2 3 4	 1 2 3 4

Color the picture that shows the number. Use one color for each number.

3	  
1	  
4	  
2	  

Color the picture. Use one color for each number.
Draw a line to match the picture to the number.

Color the number patterns.
Draw a line from the number
pattern to the number.

Color the fish. Count the fish.
Draw a line to the number.

Color the balls. Count the balls.
Draw a line to the number.

Color the birds. Count the birds.
Draw a line to the number.
