# **General Registration Requirements**

# General Registration Requirements

---

- Vehicle registration must be up-to-date at the time of drop-off.
- A receipt for registration renewal (without the updated physical registration) will not be accepted.
- Required registration indicators (typically a sticker) must be up-to-date at the time of drop-off. Exterior registration requirements vary by state.
- If your vehicle is registered in a municipality where a city sticker is required, it must also be up-to-date and valid. This requirement will vary by state and city.
- Registration, both physical paper and exterior indicator (when applicable), must not expire while the vehicle is scheduled to be shared with Avail.
- Avail does accept temporary license plates. However, the temporary license plate cannot expire before an owner's reservation is set to conclude.
