

Advanced Purchase Program

Guaranteed resale values for your fleet assets

Unlock guaranteed pricing to sell your trucks and equipment with the confidence that your earned equity can be freed up for strategic re-investment.

Benefit from this unique way to sell your trucks or equipment rapidly, instead of waiting days or weeks for traditional auction sales.

Leverage our remarketing expertise

This program is ideal if you want to:

- Move surplus trucks, older trailers, material handling equipment or heavy equipment off your books.
- Mitigate possible fluctuations in the market that may impact future sales.

Selling your fleet assets to Element is as easy as 1 – 2 – 3

- 1 Evaluation** Element will assess your assets for sale and send an offer based on market price.
- 2 Fast settlement** Once you accept our offer, we pay you upfront for your assets and the sale is processed quickly with funds ACH'd to your account.
- 3 Element handles the rest** We'll arrange to have your assets picked up on site and complete any de-identification required.

No waiting.
No hassle.
No risk.
