Program overview

Vehicle Financing

Maximize cashflow and financial flexibility with fleet leasing – a strategic advantage for any organization looking to optimize their operations and stay ahead in a competitive market.

Fuel

Enjoy hassle-free fleet management with a fuel program that prioritizes security, comprehensive insights, and 24/7 driver support.

Maintenance

Access our expansive network of skilled maintenance providers to maximize vehicle uptime, deliver cost savings, and enhance the overall efficiency of your fleet.

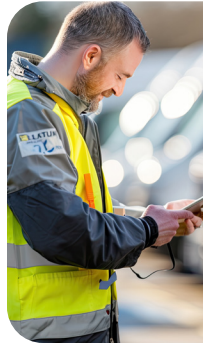

Registration renewal

Experience a seamless registration renewal process that eliminates hassle, tracks deadlines, and keeps your fleet compliant.

Breakthrough technology

Leverage advanced propriety dashboards and reporting, empowering you to make informed decisions for daily fleet management and annual strategic objectives.

Remarketing

Utilize our dedicated remarketing team to maximize returns on resale of vehicles. They'll manage everything from reconditioning and auction management to ownership transfers, so you can focus on core priorities.

About Element Fleet Management

Element Fleet Management (TSX: EFN) is a proud Canadian company and trusted leader in automotive fleet services and comprehensive mobility solutions. Our suite of services spans the total fleet lifecycle, from acquisition and financing to program management and remarketing – helping clients optimize performance and improve productivity.
