ALL FRESHSM BY ALSCO

AlSCO provides more than just uniforms and linen. We offer facility service and safety products, such as floor mats, mops, managed first aid and more, to help keep your healthcare facility safe and clean.

Cleanliness matters.

With All Fresh by AlSCO, keeping your facility looking nice and professional is simple.

Our services reduce your labor costs while ensuring your employees and customers enjoy a clean and safe environment.

Protect your employees, patients and floors with our inventory of slip-resistant mats.

For added value, make full use of our logo and message mats to highlight your brand or safety messages.

MICROFIBER MUST-HAVES

MicroTech Pro Mops

Designed for heavy-duty clean-ups that need to happen quickly and efficiently.

Perfect for any kind of cleanup these mops pick up fine dust particles and fibers, reduce labor with ergonomically superior design, and lessen the use of water and chemicals, making them more environmentally friendly while the use of separate pads for each application reduces cross-contamination. Available for wet or dry applications.

16 Split Microfiber

Did You Know?

A UC Davis study, verified by the EPA, revealed that microfiber cleans better, lasts longer and reduces labor, water usage, and chemical costs over traditional mops.

Microfiber Towels

Remove dust and messes with less effort, less water and less chemicals with our hygienically clean microfiber towels.

Lint-free, streak-free cleaning is easier than ever with our color coded microfiber options that can help you stay clean while preventing cross-contamination. They're safe to use on every surface, especially tough to clean items such as porcelain, chrome, wood, glass and more.
