CHARGE DOCK

5x Case Slot

INSTALLATION

1. Take the power adapter and insert the plug firmly into the DC jack located at bottom of the dock.
2. Route the cable through the cable channel to secure the connection.
3. Ensure the correct country AC plug is on the power adapter and insert the adapter into an available power outlet.

CHARGING

4. Insert case with battery pack into the appropriate slot on the dock until it sits evenly.
5. The LED indicator will pulse Amber when charging and Green when charge is complete.
