Visitor Hotel Reservations Now Open for IMTS 2026

McLean, Va. (February 5, 2026) — IMTS – The International Manufacturing Technology Show has announced that [visitor hotel reservations](#) for [IMTS 2026](#) are now open. IMTS runs Sept. 14-19 at McCormick Place in Chicago.

“Given the demand on hotels created by the size of IMTS, booking housing early is essential to ensure rooms at preferred hotels or desired locations within Chicago,” says Lexy Olisko, senior director, meetings and housing at AMT – The Association For Manufacturing Technology, which owns and produces IMTS.

Global Housing Solutions, powered by AMT, is the only official housing provider for IMTS. It has contracted with 95 Chicago-area hotels to offer benefits for visitor housing that include guaranteed rooms, the lowest rate available during show dates, no booking fees, more accurate booking, and a free shuttle between hotels and McCormick Place (with the exception of the five McCormick Place hotels, SpringHill Suites Chinatown, and Sable at Navy Pier).

New hotels in the block for 2026 include the Arlo Chicago, the Le Meridien Essex Chicago (a high-end Marriott hotel), and the Claridge House (which is now a Hilton Tapestry brand property). The former Hotel Monaco has been converted to L7 Chicago by Lotte, a luxury hotel and the first L7 hotel in North America; it features updated guest rooms, lobby, and restaurant spaces.

“Global Housing Solutions provides visitors with a single source for booking their stay, the confidence of using a trusted source, and the assurance that we prevent the delays and miscommunication that can occur when booking through hotels or other parties,” says Olisko.

About IMTS – The International Manufacturing Technology Show

IMTS – The International Manufacturing Technology Show is where the creators, builders, sellers, and drivers of manufacturing technology come to connect and achieve the impossible. Attendees discover advanced manufacturing solutions that include innovations in CNC machining, automation, robotics, additive manufacturing, software, AI, and transformative digital technologies that are driving the industry forward. Owned and produced by AMT – The Association For Manufacturing Technology, IMTS is the largest and most defining trade event for manufacturing technology in the Western Hemisphere. With more than 1.2 million square feet of exhibit space, the show attracts visitors from more than 110 countries. IMTS 2024 had 89,020 registrants, featured 1,609 exhibiting companies, and included a Student Summit that attracted 14,713 visitors. IMTS 2026 will be held Sept. 14-19, 2026, at McCormick Place in Chicago. Discover more at [IMTS.com](https://www.imts.com) and connect with IMTS on [social](#).

About AMT – The Association For Manufacturing Technology

AMT – The Association For Manufacturing Technology represents U.S.-based providers of manufacturing technology – the advanced machinery, devices, and digital equipment that U.S. manufacturing relies on to be productive, innovative, and competitive. Located in McLean, Virginia, near the nation's capital, AMT acts as the industry's voice to accelerate the pace of innovation, increase global competitiveness, and develop manufacturing's advanced workforce of tomorrow. With extensive expertise in industry data and market intelligence, as well as a full complement of international business operations, AMT offers its members an unparalleled level of support. AMT also produces IMTS – The International Manufacturing Technology Show, the premier manufacturing technology event in the Western Hemisphere.
