Thank you for completing this application for AMT Membership.

All applications are first reviewed and approved by an internal AMT Committee. After that approval, and a 30-day open comment window from the general AMT membership, applications are sent to the AMT Board of Directors for final approval. Upon final approval, we will contact you with onboarding information, a prorated invoice for the current year dues, and a request for initial marketing collateral that we can use to announce your membership through AMT channels.

We will also schedule an onboarding video call, so that we can gain a deeper understanding of your current goals and challenges, to begin to align AMT products and services with your needs.

We appreciate your interest in AMT and look forward to serving your company.

Commercial Affiliate dues are \$3,750.
