

Transform your legal team from a bottleneck to a business accelerator

Agreements are the backbone of your business. But when legal teams are buried in manual work, disconnected tools, and slow review cycles, they become a drag on speed, value, and compliance. The Docusign Intelligent Agreement Management (IAM) platform is purpose-built to break this cycle by delivering true end-to-end agreement management, explainable legal-grade AI, and seamless enterprise integrations. With Docusign IAM, legal becomes a catalyst for business growth and agility.

The **Docusign IAM platform** empowers legal teams to:

Accelerate legal:

Move from “request” to “signed” in record time with automated workflows and smart templates.

Reduce risk:

Replace version chaos and email chains with centralized, collaborative negotiation and review.

Unlock insight:

Surface risk, enforce compliance, and track every obligation automatically.

Drive Legal Efficiency at Scale

Automate intake, review, and approvals so legal can focus on strategy, not admin. The IAM platform captures every request, standardizes negotiation, and eliminates bottlenecks with no steep learning curve (or little to no IT lift required).

Ensure Legal Precision and Control

Protect your business with AI-powered contract review, playbook enforcement, and bulletproof audit trails. Docusign’s legal-grade AI flags risk, suggests edits, and keeps your contracts compliant with internal playbooks right within Microsoft Word. Centralized templates and playbooks updated everywhere, instantly.

Unlock Actionable Insights

Stop searching, start knowing. The IAM platform turns every executed contract into structured, searchable data. Instantly surface key terms, track obligations, and spot hidden risks so you can make smarter, faster decisions.

Results

77%

less time spent processing agreements¹

95%

reduction in manual review time²

100%

adoption of IAM³

What Legal Leaders Say

“Even as agreement volume rises, we know we won’t have to increase head count and we base that 100% on Docusign IAM.”

Dundi Thompson

Sr. Project Manager in Legal Operations,
Flowserve

“Docusign AI-Assisted Review is an incredible safety net for risk.”

Marla Crawford

General Counsel, Cimplifi

“With Docusign, an NDA is sent to our administrator and the other party, and once it’s signed, it’s automatically filed away. That one process, which used to take days, now takes less than an hour.”

Brendan Mills

Contracts Administrator, Perceptyx

About DocuSign

DocuSign brings agreements to life. Over 1.6 million customers and more than a billion people in over 180 countries use DocuSign solutions to accelerate the process of doing business and simplify people's lives. With intelligent agreement management, DocuSign unleashes business critical data that is trapped inside of documents. Until now, these were disconnected from business systems of record, costing businesses time, money, and opportunity. Using DocuSign IAM, companies can create, commit to, and manage agreements with solutions created by the #1 company in e-signature and contract lifecycle management (CLM).
