

OI-LIN® CLAY MASK

Smooth and soothe your face with Sunrider's natural clay mask. Made with two different clays, Oi-Lin® Clay Mask is designed to cleanse deeply and absorb excess oil. It helps draw out impurities from deep within the skin. Formulated from herbs, fruits, and other natural ingredients, Oi-Lin® Clay Mask also helps to hydrate the skin, leaving it feeling softer, smoother, and revitalized. Good, old-fashioned "mud" has been used throughout the ages for its soothing powers.

INGREDIENT HIGHLIGHTS

BENTONITE

This clay is made from volcanic ash. When used in skin care, bentonite binds to toxins and bacteria, then extracts them from the pores, fighting the appearance of blemishes and redness, and leaving skin looking smooth and hydrated. You can feel safe using bentonite on your skin; it's also used for internal cleansing.

ROSEMARY LEAF EXTRACT

This beauty-enhancing herb contains powerful antioxidants that diminish the skin-damaging effects of free radicals. The stimulating properties of rosemary may also help support elasticity, making skin look firmer and more supple.

CAMELLIA SINENSIS LEAF EXTRACT

This extract is rich in polyphenols, free radical-fighting antioxidants found to help prevent the visible signs of premature aging and guard against UV damage.

HOW TO USE

Apply to the whole face and neck. Avoid the delicate eye area. Let dry for 10–20 minutes, then rinse with warm water and pat dry. Use once or twice a week depending on oiliness of skin, alternating with Kandesn® Revitalizing Masque.

FAQs

Q: What is the benefit of non-alkaline skin care products like Oi-Lin® Clay Mask?

A: Alkaline skin is the opposite of oily, acidic skin. It becomes dry and sensitive, which can destroy collagen and lead to wrinkles, sagging, dullness, and inflammation. Use non-alkaline skin products like Oi-Lin® Clay Mask to match and maintain your skin's natural, slightly acidic pH balance.

NOURISH + CLEANSE = BALANCE
