FAQs

Q: How is this a “kid-friendly” formula?

A: Our natural formula is hypoallergenic, pH balanced, and made with mild ingredients that are safe and gentle on even the most sensitive skin. Like all Sunrider® products, Kandesn® Kids Gentle Hair & Body Wash is made with nature’s best ingredients and free of parabens, dyes, GMOs, sulfates, and other nasty additives that strip moisture and irritate skin. Your kids will love the refreshing scent and rich, creamy lather that leaves their skin soft and fresh without residue.

Q: Why is Kandesn® Gentle Hair & Body Wash preferable to bar soap and regular shampoo?

A: Our super-convenient formula turns tub and shower time into good clean fun by cleansing and conditioning from head to toe in one simple step. Our formula spreads evenly across the body and is easier to use than bar soaps (especially for kids). Many commercially available bar soaps also tend to dry skin because they lack added moisturizers, and the leftover residue can make a mess of your shower and tub surfaces. Our 2-1 formula is also easy to travel with.

HOW TO USE

Place a small amount into palm and bring to a lather with water. Massage thoroughly over skin and hair. Rinse off.
