Product Fact Sheet Kandesn® SPA Massage Oil

REFRESH YOUR MIND AND MUSCLES

A favorite from Sunrider's luxurious line of unisex personal care essentials, Kandesn® Spa Massage Oil features natural oils, herbal extracts, and vitamins that promote healthy blood flow to help warm the body from within. There's nothing more relaxing than a good massage. Now you can enjoy one at home.

PHILOSOPHY OF REGENERATION®

Kandesn® Spa products are formulated using the Philosophy of Regeneration®—the belief that we should nourish and cleanse the body to reach balance, and thus optimal health. Kandesn® Spa Massage Oil is made with natural ingredients that work in harmony with the skin. The special formula supports circulation and soothes the skin, helping you to relax and feel great.

INGREDIENT HIGHLIGHTS

CASSIA OII.

Also known as Chinese cinnamon, cassia oil helps support circulation and alleviate musculoskeletal pain in body.

IOIOBA

This emollient desert plant soothes and moisturizes skin while cleaning pores and follicles. Nearly identical in chemical structure to the natural oils in skin, jojoba oil is quickly absorbed without leaving a greasy residue.

SEA BUCKTHORN OIL

Healing and rejuvenating, sea buckthorn oil has been used in folk medicine for thousands of years. Rich in vitamins A, B, C, E, and K, it has healing, nourishing, and protective properties.

FAQS

- **Q:** Are there mineral oils in this product?
- A: No. Kandesn® products contain no mineral oils. Mineral oil is a petrochemical product derived from crude oil. It's an occlusive agent—meaning it seals off the skin from air, water, or anything else getting in (or out). Wherever it's applied, it forms an invisible film on the surface that blocks the pores and the skin's natural respiration process.

RECOMMENDATION

Apply several drops of Kandesn® Spa Massage Oil to desired area. Massage area using desired massage style. Add more oil if necessary.
