INGREDIENT HIGHLIGHTS

UREA PEROXIDE

Also called carbamide peroxide, this natural sanitizer is used as an oxidizing agent and as an oral care agent to help whiten teeth.

EUCALYPTUS GLOBULUS LEAF OIL

The oil from the eucalyptus tree has cleansing properties that support healthy teeth and gums.

PEPPERMINT OIL

This essential oil has an invigorating aroma and helps freshen breath and support oral health.

CLOVE OIL

This aromatic herb is a natural breath freshener and has antiseptic and antioxidant properties.

NEEM TREE EXTRACT

This natural antiseptic safely whitens teeth and supports healthy teeth and gums. It helps the mouth feel clean, healthy, and refreshed.

VITIS VINIFERA (GRAPE) FRUIT EXTRACT

This extract from a type of grape contains flavonoids with potent antioxidant properties.

FAQs

Q: How is SunSmile® Refresher Drops different from other brands?

A: Typical mouthwashes often contain a number of ingredients that can be harmful if swallowed, including up to 30% ethyl alcohol. Alcohol is also drying and can strip away the protective mucous membrane in the mouth and throat. The same germ killers used in bathroom cleaning disinfectants (phenol and cresol) are also often used in conventional mouthwashes. SunSmile® Refresher Drops is made with safe natural ingredients and free of alcohol and other potentially harmful ingredients.

HOW TO USE

Use SunSmile® Refresher Drops to maintain oral hygiene. Put 3 to 4 drops in 2 to 4 ounces (50 to 125 mL) of water and swish around in mouth. For even better results, use one drop with SunSmile® Herbal Toothpaste.
