FAQ

Q: Why should I use VitaFruit®?

A: VitaFruit® is a convenient liquid supplement designed to help you increase your intake of antioxidant vitamin C. Whether you're looking to support immune function or simply add more antioxidants to your daily routine, VitaFruit® offers a natural and easy way to do so.

Q: What are the benefits of VitaFruit®?

A: VitaFruit® provides antioxidant vitamin C, which helps protect cells from oxidative stress and supports the normal function of the immune system. Its formula includes fruit-based extracts such as sea buckthorn, bitter orange peel, and sweet orange peel, which naturally contain antioxidant compounds like bioflavonoids and vitamin C.

HOW TO USE

Adults and children (1 year old and over): Take 1 bottle (1 tbsp./15 mL) of VitaFruit® 2-3 times a day. Can be mixed with 180 mL-240 mL of cold water to dilute. Consult a healthcare practitioner for use beyond 3 months.

Always read the product label – Use as directed.

The information provided for the Recommended Use is applicable to products sold in Canada only. Please note that daily dosage and labeling instructions differ between Canada and the United States. Also, please be aware that everyone's body is unique and may react differently to our products. The Recommendation for this product should be treated as the maximum daily recommended dosage for adults.

INGREDIENT HIGHLIGHTS

SEA BUCKTHORN

This plant is rich in vitamin C and carotenoids such as β -carotene. These constituents contribute to antioxidant support and help maintain healthy skin.

SIRAITIA GROSVENORII
FRUIT EXTRACT

Commonly referred to as monk fruit, contains antioxidant compounds and essential nutrients. It contributes to general health and is often used for its naturally derived sweetness.

CHINESE WAX GOURD

Also known as ash gourd or winter melon, Chinese wax gourd is recognized for its naturally occurring vitamin C and antioxidant compounds. These nutrients contribute to general health and support overall wellness.
