

KANDESN® FACE PALETTE

Our all-in-one face palette features five blendable neutral matte shades that let you create endless makeup looks. Our highly pigmented powders are designed to apply smoothly and blend easily for a natural-looking finish. Vegetable-based squalane moisturizes skin for a smooth application and comfortable feel while vitamin E nourishes and protects dry skin. Mix and match to showcase one shade or layer them for a customized complete look.

BENEFITS

- Convenient all-in-one palette for on-the-go use
- Moisturizes skin for smoother application
- Blendable shades for customizable looks
- Long-wearing and smudge-resistant
- Made with naturally derived ingredients

- Cruelty-free
- Gluten-free
- Fragrance-free
- Non-irritating
- Hypoallergenic
- Talc-free
- GMO-free
- No Dyes
- No Phthalates
- Non-comedogenic
- Paraben-free
- Sulfate-free

FAQ

Q: Why is it important to have the antioxidant vitamin E in my makeup?

A: The vitamin E in Kandesn® Face Palette is derived from natural forms of tocopheryl acetate and d-tocopherol. Vitamin E is an antioxidant that helps hydrate and soothe dry skin as well as helps reduce the signs of aging. Applied topically, it absorbs easily and also helps keep skin's protective barrier intact, which promotes long-lasting moisture retention.

Q: Cool colors vs. warm colors: How do I know which palette to choose?

A: You can choose based on the palette that best suits your skin undertone. Skin tone is made up of an undertone and a surface color. An undertone is the color that lies beneath the skin. It's almost like a shadow below your skin color. While your skin tone can change, your undertone never does.

HOW TO USE

Apply shades alone or layer to build your ultimate contour. Mix and match! Ideal for application on all parts of the face and/or eyelids for a flawless look.

One quick trick is to hold up a blank piece of white paper next to your face and look in the mirror. If your skin looks more on the yellow side, it means you're warmer toned. If your skin looks pink, you are on the cool spectrum. If you have trouble deciding, you may have a neutral skin tone. Lucky you! This means both cool and warm tones are flattering on your skin.

Always remember that makeup, like fashion, should be fun, and you should wear whatever colors make you feel your best!

Always read the product label – Use as directed.

INGREDIENT HIGHLIGHTS

VITAMIN E

A well-known antioxidant that helps maintain the skin's moisture barrier and supports the appearance of smoother, more even-toned skin. Helps protect the skin from environmental factors that may contribute to dryness.

SQUALANE

A lightweight emollient that mimics the skin's natural oils. Helps moisturize and soften the skin, contributing to a smoother makeup application and a more comfortable feel.

KAOLIN

A mineral-rich clay that helps absorb excess oil and reduce shine. Contributes to a matte finish and helps improve the appearance of skin texture.

french vanilla / vanille française 322 – Net Wt. 0.18 oz. / 5.1 g
Ingredients / Ingrédients: Mica, Bismuth Oxide, Aluminum Starch Octenylsuccinate, Zinc Stearate, Kaolin, Silica, Ethylhexyl Stearate (Octyl Stearate), Squalane (Veg. Origin / Origine végétale), Bis-Diglycerol Polycapadate-2, Phenoxethanol, Methicone, Manganese Violet, Stearic Acid (Veg. Origin / Origine végétale), Iron Oxides (C177492), Tocopheryl Acetate (Natural / Naturel), Ethylhexylglycerin, Iron Oxides (C177491), Triethanolamine, and / et Tocopherol.

georgia bloom / pêche de Géorgie 323 – Net Wt. 0.18 oz. / 5.1 g
Ingredients / Ingrédients: Mica, Aluminum Starch Octenylsuccinate, Zinc Stearate, Kaolin, Ethylhexyl Stearate (Octyl Stearate), Titanium Dioxide, Camellia, Squalane (Veg. Origin / Origine végétale), Silica, Iron Oxides, Bis-Diglycerol Polycapadate-2, Methicone, Phenoxethanol, Stearic Acid (Veg. Origin / Origine végétale), Tocopheryl Acetate (Natural / Naturel), Ethylhexylglycerin, Triethanolamine, and / et Tocopherol.

dreamy ash / charbon corail 327 – Net Wt. 0.09 oz. / 2.5 g
Ingredients / Ingrédients: Mica, Iron Oxides, Aluminum Starch Octenylsuccinate, Bismuth Oxide, Iron Oxides (C177491), Kaolin, Ethylhexyl Stearate (Octyl Stearate), Zinc Stearate, Squalane (Veg. Origin / Origine végétale), Bis-Diglycerol Polycapadate-2, Silica, Phenoxethanol, Methicone, Titanium Dioxide, Stearic Acid (Veg. Origin / Origine végétale), Tocopheryl Acetate (Natural / Naturel), Ethylhexylglycerin, Triethanolamine, and / et Tocopherol.

silver smoke / argent fumé 258 – Net Wt. 0.15 oz. / 4.2 g
Ingredients / Ingrédients: Mica, Bismuth Oxide, Titanium Dioxide, Aluminum Starch Octenylsuccinate, Iron Oxides (C177492), Chromium Hydroxide Green, Zinc Stearate, Kaolin, Iron Oxides (C177491), Ethylhexyl Stearate (Octyl Stearate), Squalane (Veg. Origin / Origine végétale), Silica, Iron Oxides (C177492), Bis-Diglycerol Polycapadate-2, Phenoxethanol, Methicone, Stearic Acid (Veg. Origin / Origine végétale), Tocopheryl Acetate (Natural / Naturel), Ethylhexylglycerin, and / et Tocopherol.

midnight shadow / ombre de minuit 259 – Net Wt. 0.09 oz. / 2.5 g
Ingredients / Ingrédients: Iron Oxides (C177492), Mica, Aluminum Starch Octenylsuccinate, Bismuth Oxide, Iron Oxides (C177491), Kaolin, Ethylhexyl Stearate (Octyl Stearate), Zinc Stearate, Squalane (Veg. Origin / Origine végétale), Bis-Diglycerol Polycapadate-2, Phenoxethanol, Silica, Methicone, Stearic Acid (Veg. Origin / Origine végétale), Tocopheryl Acetate (Natural / Naturel), Ethylhexylglycerin, Triethanolamine, and / et Tocopherol.

crème royale 324 – Net Wt. 0.18 oz. / 5.1 g
Ingredients / Ingrédients: Mica, Bismuth Oxide, Aluminum Starch Octenylsuccinate, Kaolin, Silica, Ethylhexyl Stearate (Octyl Stearate), Zinc Stearate, Squalane (Veg. Origin / Origine végétale), Bis-Diglycerol Polycapadate-2, Phenoxethanol, Iron Oxides (C177492), Methicone, Stearic Acid (Veg. Origin / Origine végétale), Iron Oxides (C177491), Tocopheryl Acetate (Natural / Naturel), Ethylhexylglycerin, Triethanolamine, and / et Tocopherol.

terra cotta glow / éclat de terre cuite 325 – Net Wt. 0.18 oz. / 5.1 g
Ingredients / Ingrédients: Mica, Bismuth Oxide, Aluminum Starch Octenylsuccinate, Titanium Dioxide, Zinc Stearate, Kaolin, Silica, Ethylhexyl Stearate (Octyl Stearate), Manganese Violet, Squalane (Veg. Origin / Origine végétale), Iron Oxides (C177491), Bis-Diglycerol Polycapadate-2, Phenoxethanol, Methicone, Stearic Acid (Veg. Origin / Origine végétale), Tocopheryl Acetate (Natural / Naturel), Ethylhexylglycerin, Triethanolamine, Camellia, and / et Tocopherol.

chocolate espresso / espresso au chocolat 260 – Net Wt. 0.09 oz. / 2.5 g
Ingredients / Ingrédients: Mica, Bismuth Oxide, Aluminum Starch Octenylsuccinate, Iron Oxides (C177492), Iron Oxides (C177491), Zinc Stearate, Kaolin, Ethylhexyl Stearate (Octyl Stearate), Squalane (Veg. Origin / Origine végétale), Silica, Titanium Dioxide, Bis-Diglycerol Polycapadate-2, Phenoxethanol, Methicone, Stearic Acid (Veg. Origin / Origine végétale), Tocopheryl Acetate (Natural / Naturel), Ethylhexylglycerin, Triethanolamine, and / et Tocopherol.

amber sunset / coucher de soleil ambré 261 – Net Wt. 0.15 oz. / 4.2 g
Ingredients / Ingrédients: Mica, Bismuth Oxide, Aluminum Starch Octenylsuccinate, Zinc Stearate, Manganese Violet, Iron Oxides (C177492), Titanium Dioxide, Silica, Ethylhexyl Stearate (Octyl Stearate), Kaolin, Squalane (Veg. Origin / Origine végétale), Bis-Diglycerol Polycapadate-2, Iron Oxides (C177491), Phenoxethanol, Chromium Hydroxide Green, Methicone, Stearic Acid (Veg. Origin / Origine végétale), Tocopheryl Acetate (Natural / Naturel), Ethylhexylglycerin, Triethanolamine, and / et Tocopherol.

dark truffle / truffe noire 262 – Net Wt. 0.09 oz. / 2.5 g
Ingredients / Ingrédients: Iron Oxides (C177492), Iron Oxides (C177491), Mica, Iron Oxides (C177492), Aluminum Starch Octenylsuccinate, Zinc Stearate, Kaolin, Ethylhexyl Stearate (Octyl Stearate), Squalane (Veg. Origin / Origine végétale), Bis-Diglycerol Polycapadate-2, Phenoxethanol, Silica, Stearic Acid (Veg. Origin / Origine végétale), Methicone, Tocopheryl Acetate (Natural / Naturel), Ethylhexylglycerin, Triethanolamine, and / et Tocopherol.
