FOR A HEALTHY SHINE

The natural formula gently and effectively cleanses hair and scalp without sodium lauryl sulfate and ammonium lauryl sulfate, harsh cleaning agents found in most other shampoos. Herbal extracts, and botanical emollients combine to repair, strengthen, and condition the appearance of damaged hair while bringing out natural shine. Use this shampoo daily to start the day feeling clean, refreshed, and confident.

PHILOSOPHY OF REGENERATION[®]

We use only the finest herbal extracts, botanicals, and therapeutic oils from around the world, which are then carefully formulated to create products that are supremely safe and effective. Our balanced approach combines cutting-edge science with the wisdom of the Philosophy of Regeneration[®], which advocates nourishing, cleansing, and balancing the skin with the finest plant-based ingredients. Kandesn[®] Spa Shampoo cleans follicles without stripping hair and scalp of natural oils.
