## INGREDIENT HIGHLIGHTS

### HONEY

This nectar-based, natural sweetener is commonly used as a cough suppressant and throat soother.

### LOQUAT LEAF

The leaves of this flowering plant are rich in vitamins, minerals, flavonoid antioxidants, and other nutrients.

### CHRYSANTHEMUM FLOWER

This beautiful flower is a good source of antioxidants and contains essential minerals like calcium, magnesium, folate, iron, sodium, and potassium.

### MENTHOL

The active ingredient in peppermint, menthol has a fresh, invigorating scent and flavor and can support digestion and breathing.

## FAQs

**Q: Why is Sunny Fresh® better than other loquat throat syrups?**

**A:** The difference is in our concentration. Most popular loquat throat products are actually diluted and made from 70% honey. Sunny Fresh® has a high concentration of loquat and contains just 20% honey.
