- Supports post-workout muscle recovery*
- 100% Vegan

FEATURES

Made in the USA

No Milk or Lactose

No Sweeteners or Preservatives

Health Benefits

Non-GMO

FAQ

- Q: Does this protein powder mix easily?**
A: Yes. The formula is designed to blend smoothly into liquids, hot or cold, helping create a consistent, creamy texture.
- Q: How can I use SunFit Protein Plus?**
A: SunFit Protein Plus is designed for versatility. Blend it into shakes or smoothies, mix it into foods like oatmeal or yogurt, or use it in baking recipes. It's an easy way to boost your daily protein intake while adding plant-based nutrition, including vitamins, minerals, fiber, antioxidants, and essential fatty acids.

HOW TO USE

Mix two scoops (40 g) with 12–16 fl. oz. of water, or your favorite Sunrider beverage. Add to VitaShake®, NuPlus®, or other foods as desired.

Purely Plant-Based: At Sunrider, we're committed to the power and purity of plant-based nutrition. SunFit Protein Plus is free from artificial sweeteners, colors, flavors, and preservatives.

* Results may vary depending on your level of intensity, diet, and other reasons. Regular exercise, proper diet, and nutrition are required to achieve and maintain weight loss and muscle definition.

Always read the product label—use as directed.

INGREDIENT HIGHLIGHTS

SOY PROTEIN
Soy protein provides a smooth texture and a robust amino acid profile. Derived from soybeans, this legume-based complete protein contains all nine essential amino acids required by the body, along with fiber, vitamins, and minerals, including B vitamins, zinc, and iron.

CHICORY ROOT
This herb is a natural source of inulin, a prebiotic fiber that helps support the growth of beneficial gut bacteria.

COIX LACRYMA-JOBI SEED
This Job's Tears plant seed is a natural source of fiber and polyphenols—plant compounds that may help support digestive health and normal lipid metabolism.

BAMBOO FIBER
This plant-based fiber supports healthy digestion and helps promote a feeling of fullness.
