## INGREDIENT HIGHLIGHTS

### CAMELLIA SINENSIS

This green tea plant contains polyphenol chemicals known as catechins, which support your body's natural cleansing process and absorb harmful free radicals.\*

### GARCINIA MANGOSTANA

This fruit is a natural source of hydroxycitric acid (HCA), which is known to suppress appetite and boost metabolism. Garcinia has been used safely for centuries to make meals more filling.\*

### POLYGONUM CUSPIDATUM

The root of this plant is a good source of the polyphenolic antioxidant resveratrol, which has been linked to obesity prevention and protection against aging free radical damage, among other benefits.\*

## FAQs

### Q: Why are antioxidants important?

A: Our bodies are constantly bombarded by free radicals—the unstable molecules caused by pollution, stress, and even normal bodily processes. Free radicals damage healthy cells and accelerate the aging process, inside and out.

### Q: How is Tei-Fu® MetaShaper® better than other antioxidant formulas?

A: Our concentrated, synergistic blend is expertly formulated to provide an array of powerful antioxidants, including polyphenols, bioflavonoids, resveratrol, and tea catechins to enhance energy, support healthy weight loss, protect against free-radical damage and support cellular health—so you can cut calories and combat aging.\*

## HOW TO USE

Take two to three capsules with meals, three times a day.

For best results, eat a low-fat and balanced meal, and exercise 30 minutes per day.

Not recommended for pregnant or nursing women.
