HOW TO USE

Take one tablet daily at meal time. Do not exceed the stated recommended daily dose. Food supplements should not be used as a substitute for a varied diet.

FAQs

Q: How does calcium benefit the body?

A: Your body needs calcium to build and maintain strong, healthy bones. Your heart, muscles, and nerves also need calcium to function properly.

Q: How is Herb Cal® Tab different from other brands?

A: Many brands contain calcium from oyster shells, which may contain lead, mercury, arsenic, or other heavy metals from industrial runoff. In safe contrast, Herb Cal® Tab is made with ultra-pure calcium mined from fossilized coral in the ocean. And to optimize calcium absorption, our tabs contain a synergistic blend of herbal extracts, and enzymes.
