LOSE WEIGHT AND GET ENERGETIC

Optimize your body weight in a healthy way and shape your lines with our SunTrim™ Shake chocolate vegetable drink powder. Our tasty, nutrient-rich super shake can satisfy your hunger for hours, and also contributes to your well-being thanks to the special mixture of plant-based proteins and ingredients. Unlike most diet shakes, it does not cause chronic fatigue or intense mood swings. Each practical pouch provides you with the power of highly concentrated, complete nutrients: it nourishes the body with healthy proteins, vitamins, minerals and complex carbohydrates. Enjoy a daily boost in energy levels to support your fitness goals.

PHILOSOPHY OF REGENERATION®

In keeping with the Philosophy of Regeneration®, SunTrim™ Shake contains essential ingredients of unique plant nutrients that nourish, balance and cleanse the body's five major organ systems to create optimal health and maintain vitality.

INGREDIENT HIGHLIGHTS

PEA PROTEIN POWDER

An energy-boosting vegetable protein that contains all nine vital amino acids, including branched-chain amino acids (BCAAs) - which effectively build muscle.

LYCIUM FRUIT EXTRACT

This fruit is rich in detoxifying antioxidants, vitamins A, C and E, and is an excellent source of more than 30 essential trace elements and minerals.

GARCINIA CAMBOGIA FRUIT

Natural source of hydroxy acid (HCA). It is known to help regulate appetite and support a healthy metabolism. Garcinia has been used for centuries in Southeast Asia to make food more filling.

FAQS

Q: What makes our SunTrim™ Shake product different on the market from other shakes?

A: While most meal replacement protein shakes are made with chemical additives, artificial flavors, colors and sweeteners, SunTrim™ Shake is free of these potentially harmful ingredients. Our shake is made from whole nutrients, with vitamins and minerals, so it is easily absorbed and used in our body.

Q: Is SunTrim™ Shake easy to digest?

A: Absolute. Unlike countless brands that contain chemically processed or animal-derived protein powders, our proprietary plant-based protein formula is lactose- and gluten-free. It does not cause bloating and discomfort. Thanks to its herbal formula, its digestibility and absorption are also excellent. In addition, it is dairy and egg-free.

RECOMMENDATION

Mix the contents of one sachet with 180ml to 240ml of water in a shaker. It can be consumed immediately and can be sweetened with SunnyDew® to taste.
