FAQ

Q: What is an oil-based cleanser and why is it important?

A: It's not only important to remove makeup and sunscreen, but also dirt and pollution that accumulate on our skin during the day. This collective debris not only causes oxidative damage to the skin but can also contribute to the breakdown of collagen and development of wrinkles and discoloration.

Kandesn® Pure Cleansing Oil gently cleans contaminants and excess sebum, as well as deeply penetrating the pores to dissolve oily dirt and grime. The hardworking yet gentle cleanser even melts away buildup in hard-to-reach crevices around your nose or in between eyelashes—places a wipe can't properly cleanse. It's the perfect starting point for a deep double cleanse.

Q: Can I use this product on oily skin?

A: Yes, Kandesn® Pure Cleansing Oil is perfect for all skin types, including oily skin, which may seem a little contradictory. Many oil-free cleansers strip the skin and upset the natural balance of oils, resulting in the overproduction of oil. Kandesn® Pure Cleansing Oil removes dirt and debris from the pores while maintaining the skin's natural oil levels to keep your complexion clean, balanced, and healthy.

HOW TO USE

Press the pump three times to dispense the cleanser into the palm of the hand, and massage it thoroughly into your skin. Rinse off with cold or lukewarm water.

Always read the product label – Use as directed.

INGREDIENT HIGHLIGHTS

APRICOT KERNEL OIL

Pressed from the oil-rich kernels of apricots, this fruit oil dissolves dirt, oils, and makeup residue while nourishing and softening skin.

TOCOPHEROL (VITAMIN E)

This powerful antioxidant provides skin-conditioning benefits to dry skin.

PANAX GINSENG ROOT EXTRACT

This herb helps boost skin hydration, fade the appearance of uneven skin tone, and minimize the appearance of fine lines by working within the skin to bolster its natural firmness.
