INGREDIENT HIGHLIGHTS

LYCII FRUIT

Also called wolfberry and goji berry, this fruit is an excellent source of protective antioxidants, such as polyphenols, flavonoids, carotenoids, and vitamins A, C, and E.

PANAX GINSENG

This herb is used in traditional herbal medicine to support energy, stamina, endurance, as well as concentration and memory.

PORIA

Long used in traditional herbal medicine as a therapeutic tonic, this type of mushroom supports the immune system and the removal of toxins.

FAQs

Q: How is Sunrise® different from other energy drinks or shots?

A: Most energy drinks contain large amounts of caffeine, sugar, and other substances. These products may provide a jolt of energy, but it will spike and ultimately result in a "crash" and even more fatigue. Sunrise® avoids this problem with its natural crash-free formula, which contains no added stimulants or artificial sweeteners, colors, or preservatives. What you get is pure, clean, sustained energy. And the handy 15-mL vial makes it easy to take it with you wherever you go. No water or shaker bottle needed.

Q: How can Sunrise® help me during my daily routine?

A: You can think of Sunrise® as pure liquid energy in a vial. It's great to take whenever you need a "pick-me-up" at work, school, or on the go to help keep your mind sharp and focused and your body naturally energized, especially during long days. It's also good to take before working out, as it's designed to help you work out longer with more intensity.

HOW TO USE

Consume one 15 mL bottle of Sunrise® at meal time.

NOURISH + CLEANSE = BALANCE

Sunrider® products are based on a simple yet powerful idea that blends Traditional Chinese Medicine with advanced science. We call it our Philosophy of Regeneration®. When you nourish with only the finest natural ingredients and cleanse of harmful chemicals and artificial colors, flavors, and preservatives, you bring your body into balance. A balanced body is a healthy body.
