## INGREDIENT HIGHLIGHTS

### SQUALANE

A prized ingredient derived from olive oil, squalane has powerful antioxidant properties and delivers a moisturizing effect that helps restore lost oils. Non-irritating, it works wonders on all skin types.

### ALOE VERA

This succulent plant has been touted by many as their go-to moisturizer. It's also known for its soothing properties.

### HYALURONIC ACID

A substance naturally found in the body, hyaluronic acid brings water to the surface of skin to keep it looking fresh and supple. It also helps skin repair and regenerate itself after suffering from dryness, environmental stresses, or irritation.

## HOW TO USE

Apply evenly to any area of the body before sun exposure to provide moderate protection against sunburn. Reapply as needed or after prolonged physical activity or swimming.
