## SunBreeze® Oil and Balm

### SOOTHE, RELAX, AND REFRESH WITH SUNBREEZE®

After a vigorous workout or long, hard day, reach for SunBreeze® for instant relief. The natural oils in SunBreeze® quickly penetrate the skin to help ease pain in overworked muscles and soothe stiff, aching joints. One of Dr. Chen's original formulas, SunBreeze® is a perfect combination of cold (yin) and hot (yang). Just massage a small amount of this ultra-concentrated formula into your neck, temples, or tired muscles for fast, soothing relief. SunBreeze® is ideal for post-exercise, relaxation, and full rubdowns.

### PHILOSOPHY OF REGENERATION®

The formula for SunBreeze® Oil and Balm is based on the Philosophy of Regeneration®, which synergizes thousands of years of Chinese herbal research with cutting-edge Western science to nourish, cleanse, and balance the body, inside and out. Unlike other oils and balms that contain harmful and even potentially toxic ingredients (such as wintergreen), SunBreeze® is made with owner expertise using natural ingredients that are safe to use.

### INGREDIENT HIGHLIGHTS

#### CASSIA OIL

Also known as Chinese cinnamon, cassia oil helps support circulation and alleviate musculoskeletal pain in body.

#### EUCALYPTUS

This tree oil boasts pain relieving properties and a cooling, refreshing, woody smell.

#### MINT EXTRACT

This warming herbal extract is used for its soothing properties.

### FAQS

**Q:** When is the best time to use SunBreeze®?

**A:** Use SunBreeze® whenever you want to relax. It's a great way to enhance a massage, by rubbing it into muscles, joints, and pressure points. You can even put a couple of drops on your palms and then breathe in the refreshing smell for a simple, quick form of aromatherapy.

**Q:** How does SunBreeze® differ from other pain relief brands?

**A:** SunBreeze® is made with pure essential oils in a safe, effective formula. Other brands contain too much camphor or potentially toxic ingredients such as methyl salicylate, a derivative of wintergreen.

### RECOMMENDATION

Gently massage into sore, tired muscles, or painful joints. Can also be used for aromatherapy for relaxation and to help relieve nasal and sinus congestion.
