

Product Fact Sheet

Oi-Lin® Night Emulsion

DIMINISH THE VISIBLE SIGNS OF AGING WHILE YOU SLEEP

The term “beauty sleep” actually has a lot of truth in it. While we sleep, the body goes into a continual cycle of repair and renewal. Oi-Lin® Night Emulsion jump-starts and supports this natural process by synergizing with the skin’s restorative powers. Its nutrient-rich formula provides maximum hydration from an exclusive combination of essential oils, vitamin E, and herbal extracts. Apply it nightly to awaken to rejuvenated skin that looks softer, fresher, brighter, and smoother.

PHILOSOPHY OF REGENERATION®

Oi-Lin® Night Emulsion was created using the Philosophy of Regeneration®, the belief that we should use the best natural ingredients to nourish and cleanse the body—inside and out—to reach balance, and health. Oi-Lin® Night Emulsion works with the skin’s natural repair cycle and is pH balanced to preserve the skin’s protective acid mantle and encourage skin cells’ natural regeneration process.

INGREDIENT HIGHLIGHTS

WHEAT GERM OIL

The high vitamin E content in this intensely moisturizing oil is easily absorbed into the skin and helps protect against free radical damage.

SODIUM HYALURONATE

The super-hydrating properties of sodium hyaluronate will result in smoother, softer-looking skin, with decreased appearance of wrinkles and an all-around fuller appearance.

OLIVE OIL

This natural emollient contains vitamins and fatty acids that benefit skin with their softening and moisturizing properties.

FAQS

Q: Are there any skin types that should avoid using this product?

A: No. We use only skin-friendly ingredients from plant-based sources to nurture skin health and natural beauty. We never use PABA, which can cause allergic reactions, or benzophenones, which can cause contact dermatitis. We also never use mineral oil or other petroleum by-products or any animal-derived ingredients, which can clog pores and compromise the health and functioning of your skin.

Q: Can I use this product during the day too?

A: Yes. Although recommended for use at night, this product can also be used during the day, especially if you have very dry, chapped, or flakey skin, or live in a cold, dry climate.

RECOMMENDATION

Apply to a clean face and throat at night or over Oi-Lin® Deep Moisture Lotion during the day for extra moisturization.

BENEFITS

- Provides intensive hydration
- Targets wrinkle formation
- Promotes skin that looks silky smooth
