INGREDIENT HIGHLIGHTS

CACAO

The source of chocolate, cacao is a natural appetite controller and may help reduce food cravings. This superfood is also rich in antioxidants, including polyphenols, catechins, and epicatechins.

GREEN COFFEE BEAN

The shells of these unroasted coffee beans contain high levels of chlorogenic acid, a polyphenol antioxidant that research indicates may promote weight loss by reducing the absorption of fat and glucose in the gut.

MANGOSTEEN

This tropical fruit is a natural source of hydroxycitric acid (HCA), a compound that research suggests may prevent fat storage, control appetite, and support exercise endurance.

POLYGONUM CUSPIDATUM

This perennial vine contains resveratrol, a powerful antioxidant shown in studies to provide a multitude of health benefits, such as weight loss, free-radical protection, anti-aging support, and cardiovascular support.

FAQs

Q: Will I still have an appetite after taking SunTrim® Plus?

A: SunTrim® Plus doesn't make you lose your appetite or starve your body. You'll still have an appetite and enjoy food, but it will naturally make you full faster, so you won't feel like eating as much.

Q: Can I take SunTrim® Plus without exercising and still lose weight?

A: Yes, because SunTrim® Plus supports a healthy fat-burning metabolism and helps control portion size and healthy eating habits. However, you'll achieve faster, better weight-loss results and enjoy a healthier lifestyle if you also exercise regularly.

Q: Does SunTrim® Plus cause any side effects?

A: No, unlike many other weight-loss pills that are loaded with caffeine and other drugs, SunTrim® Plus contains no added stimulants or laxatives, and it won't leave you feeling sluggish, moody, or jittery.
