

Oi-Lin® Cleansing Cream

Soothe and Nourish

OI-LIN® CLEANSING CREAM

Powered by a potent blend of herbal extracts, our oil-based cleanser melts away makeup, sunscreen, and oil-based impurities, providing a deep cleanse of your pores. Going beyond cleansing, it pampers your skin with soothing aloe vera, squalane, and jojoba seed oil while nourishing and protecting with a potent array of vitamins and antioxidants from green tea and beeswax. Enjoy a skincare experience that leaves your skin feeling not just clean, but also calm, soothed, and refreshed.

Put your freshest face forward with our nature-based ingredients and herbal innovation.

Step 1 of the 4-step Oi-Lin Skincare Regimen

BENEFITS

- Deep cleans pores to remove dirt, oil, and makeup
- Ultra-moisturizing cleanser
- Leaves skin feeling soft, smooth, and refreshed
- Supports skin's natural moisture balance
- Made with the finest herbal extracts

FAQ

Q: What are the benefits of double cleansing?

A: Simply put, oil and water don't mix. You need both to gently and thoroughly draw out and remove both the oil- and water-based impurities that collect naturally on your face throughout the day.

A double cleanse involves washing your face in two steps: The first step is using an oil-based cleanser like Oi-Lin Cleansing Cream to dissolve oil-based impurities like makeup, sebum, sunscreens, and pollutants.

After the oil-based cleanser is thoroughly rinsed off, the second step is using a water-based cleanser like Oi-Lin Revitalizing Cleanser to wash away water-based debris such as sweat and dirt.

Double cleansing not only purifies your skin, but it also revs up your skin's circulation to boost radiance while prepping your skin to receive the full benefits of the treatments to follow.

Q: Do oil-based cleansers clog your pores?

A: No, Sunrider oil-based cleansers typically don't clog pores. In fact, they are designed to attract and lift away undesirable oils and impurities, leaving your skin clean and refreshed without causing blockages or pore congestion.

Q: How does Oi-Lin Cleansing Cream fit into the 4-step Oi-Lin skincare routine?

A: Oi-Lin Cleansing Cream is the first step in our dual-cleansing system. Following this oil-based cleanser, use the water-based Oi-Lin Revitalizing Cleanser to deeply cleanse your pores. Continue with Oi-Lin Facial Toner and finish the 4-step regimen with Oi-Lin Deep Moisture Lotion. This comprehensive routine is designed to nurture and maintain healthy, beautiful skin.

HOW TO USE

Squeeze a quarter-size amount onto your hand. Gently massage entire face with fingertips. Remove the cream with a damp cotton facial cloth. For best results, follow with Oi-Lin Revitalizing Cleanser, Oi-Lin Facial Toner, and Oi Lin Deep Moisture Lotion.

Always read the product label—use as directed.

INGREDIENT HIGHLIGHTS

JOJOBA SEED OIL

This natural emollient soothes skin and cleans pores without stripping away natural moisture, leaving your skin feeling balanced and refreshed.

CAMELLIA SINENSIS LEAF EXTRACT

This super ingredient from the green tea plant is high in protective antioxidants, helping to shield skin from environmental stressors.

BEESWAX

Beeswax is vitamin-rich, containing plenty of Vitamin A, which helps improve wound healing, reduces wrinkles, protects the skin against UV radiation, and stimulates skin cell turnover. It also has humectant and moisturizing properties, drawing moisture to the skin and keeping it hydrated.
