FAQ

Q: What do Kandesn Pure Bio Cellulose Under Eye Masks do?

A: Powered by naturally derived botanicals and cutting-edge skincare actives, these under-eye masks are designed to hydrate, brighten, and refresh the delicate under-eye area. With regular use, they help improve the appearance of puffiness, fine lines, and dullness for smoother, more radiant-looking skin.

Q: How often can I use these under-eye masks?

A: For best results, use 2–3 times per week. These single-use masks can also be applied as needed—whether as part of your regular skincare routine or as a quick pick-me-up before a special event. Always follow the directions and discontinue use if irritation occurs.

Q: What makes these masks different from other under-eye treatments?

A: These masks are made with biodegradable bio cellulose that conforms closely to the skin for optimal absorption of botanical-rich serum. They're inspired by Korean skincare and formulated with clean, effective ingredients including niacinamide, retinol, meadowfoam seed oil, and pumpkin extract.

Q: Are these under-eye masks suitable for sensitive skin?

A: The masks are formulated with naturally derived, gentle ingredients and free from harsh chemicals. However, if you have very sensitive skin or are using products with active ingredients, we recommend doing a patch test before full use.

INGREDIENT HIGHLIGHTS

NIACINAMIDE

A form of vitamin B3, niacinamide helps maintain the look of healthy, hydrated skin. It visibly brightens the under-eye area, evens out skin tone, and supports a smoother, more radiant appearance.

RETINOL

Derived from vitamin A, retinol supports skin renewal for brilliant results while helping diminish the appearance of fine lines and wrinkles.

MEADOWFOAM SEED OIL

This luxurious, plant-based oil is lightweight yet deeply hydrating. It locks in moisture, softens the skin, and helps calm the appearance of the under-eye area with antioxidant-rich nourishment.

PUMPKIN EXTRACT

Rich in antioxidants, vitamins A and C, and skin-loving enzymes, this nutrient-packed extract helps refine texture, brighten the under-eye area, and support visible skin revitalization.
