

Oi-Lin® Rebuild Cream

Luminize and Awaken

Oi-Lin® Rebuild Cream

Unlock the secret to vibrant, youthful-looking skin with Oi-Lin Rebuild Cream. This luxurious cream is expertly formulated to support your skin's natural renewal cycle, leaving it looking brighter, smoother, and more radiant.

Harnessing the power of alpha hydroxy acids (AHAs), Oi-Lin Rebuild Cream gently exfoliates your skin, promoting cell turnover and supporting collagen production. Say goodbye to dull, tired-looking skin as fine lines and wrinkles fade away, revealing a revitalized complexion.

Enriched with nourishing avocado and jojoba seed oil, this cream provides deep hydration and nourishment, leaving your skin soft, supple, and plump. Jojoba seed oil, a natural emollient, effortlessly absorbs into the skin while avocado oil penetrates deeply to provide long-lasting hydration and enhance skin softness.

BENEFITS

- Diminishes the appearance of fine lines and wrinkles
- Brightens and rejuvenates dull skin
- Reduces the appearance of large pores
- Smooths and refines skin texture

DIRECTIONS

Apply a pearl sized amount on face and neck after cleansing and toning.

FAQ

Q: When should I use Oi-Lin Rebuild Cream during my skincare regimen?

A: Begin with a two-step cleansing process, using Oi-Lin® Cleansing Cream followed by Oi-Lin® Revitalizing Cleanser. Next, apply Oi-Lin® Facial Toner, then follow with Oi-Lin® Rebuild cream and end with Oi-Lin® Deep Moisture Lotion. Because skin is particularly vulnerable during exfoliation, ensure daytime protection with an SPF formula like Oi-Lin Sunmilk Sunscreen SPF 30.

Q: Why are natural emollients better than artificial ones?

A: Natural emollients are better for your skin than artificial ones because they closely mimic the oils produced by your skin, providing deeper hydration and nourishment. Additionally, natural emollients often contain essential nutrients and antioxidants that can help maintain skin health and protect against environmental stressors, promoting a more balanced and radiant complexion.

INGREDIENT HIGHLIGHTS

ALPHA HYDROXY ACIDS (AHAS)

These naturally occurring acids exfoliate the skin, stimulate collagen growth, and enhance blood flow, effectively minimizing the appearance of fine lines, wrinkles, and large pores. This promotes a healthy radiance and revitalized complexion.

JOJOBA SEED OIL

Suitable for all skin types, this natural emollient is known for its gentle, skin-softening properties and is easily absorbed into the skin. This versatile oil helps smooth and refine skin texture, promoting a healthy, radiant complexion.

AVOCADO OIL

One of the most penetrative of all plant oils, avocado oil provides long-lasting moisturizing effects. Its potent humectant properties also promote skin softness and plumping hydration.
