

SPORTCAPS®

Fitness isn't a destination; it's about constantly pushing forward and testing your limits. And SportCaps® is designed to help. Ideal for athletes or anyone with an active lifestyle, our antioxidant-rich herbal formula is powered by bee pollen, a natural superfood that nourishes and energizes, plus cleansing cassia tora, and endurance-enhancing ginseng. Enjoy pure, clean energy and recover faster, without the caffeine crash.*

BENEFITS

- Herbal energy enhancer*
- Supports athletic performance*
- Supports stamina and endurance*
- Speeds up post-workout recovery time*
- No stimulants or artificial ingredients

INGREDIENT HIGHLIGHTS

BEE POLLEN

This superfood is considered one of nature's most completely nourishing foods, containing vitamins, minerals, carbohydrates, lipids, and protein. The range of nutrients found in bee pollen makes it a great natural energizer.*

SIBERIAN GINSENG

This perennial plant has been used in China for thousands of years to support energy and endurance and reduce fatigue.*

CASSIA TORA

This herb is rich in flavonoids, a type of phytonutrient with potent antioxidant properties.

FAQs

Q: Who can benefit from taking SportCaps®?

A: SportCaps® is designed especially to help athletes (both competitive and "weekend warriors" alike), fitness enthusiasts, and people with active lifestyles who rely on optimal energy, stamina, and endurance. This concentrated herbal supplement is a great way to help you push your performance and ramp up results naturally, without caffeine or other stimulants.*

HOW TO USE

Take two capsules three times per day as desired.
