### FAQ

#### Q: How does moisturizer address the signs of aging?

**A:** A moisturiser like Oi-Lin® Deep Moisture Lotion addresses the signs of aging through a powerful blend of ingredients, including squalane and vitamin E, which combine to hydrate, nourish, and protect the skin. By supporting optimal hydration and combating free radicals, our moisturiser contributes to the reduction of fine lines, wrinkles, and other visible signs of aging, leaving the skin looking revitalised and refreshed.

#### Q: Can this moisturizer be used as a day cream and night cream?

**A:** Absolutely! This moisturiser is versatile and can be used as both a day cream and a night cream. Its lightweight and non-greasy formula makes it suitable for including it in your skincare routine to provide hydration and nourishment for your skin both during the day and at night.

### INGREDIENT HIGHLIGHTS

#### SQUALANE

Derived from plant sources, this natural emollient hydrates and protects the skin, helping to prevent the signs of premature aging and wrinkle formation.

#### OLIVE OIL

This natural emollient contains vitamins and fatty acids that benefit skin with their softening and moisturising properties.

#### ALOE VERA

This popular succulent plant provides soothing properties that contribute to the skin's healing process, including aiding in the recovery from cosmetic damage.

#### VITAMIN E

This antioxidant vitamin fights free radicals and serves as a protective shield for the skin, warding off signs of aging and damage caused by sun exposure.
