

KANDES® CLEANSING CREAM

is naturally mild and ideal for removing oil-based impurities, makeup, and daily dirt and debris. Infused with herbal extracts that moisturize while cleansing, Kandes® Cleansing Cream nourishes and protects but doesn't strip the skin of its natural moisture. Unlike many other skin care products that are improperly balanced for pH, it's formulated with a slightly acidic pH to harmonize with the skin's natural balance. It leaves your face clean and soft with a refreshed appearance.

BENEFITS

- Deep cleans pores to remove dirt, oil, and makeup
- Ultra-moisturizing cleanser
- Leaves skin feeling soft, smooth, and refreshed
- Helps balance the skin's oil-to-water ratio
- Made with herbal extracts

INGREDIENT HIGHLIGHTS

AVOCADO OIL

One of the most penetrative of all plant oils, avocado oil provides long-lasting moisturizing effects. Its potent humectant properties also promote skin softness and plumping hydration.

ROYAL JELLY

A honey bee excretion, royal jelly nourishes skin with B vitamins and protective antioxidants.

JOJOBA SEED OIL

A natural emollient, jojoba oil's similarity to sebum allows it to absorb easily into skin, making it a gentle, skin-softening moisturizer for all skin types.

FAQs

Q: How is this cleansing cream different from others?

A: Many cleansing creams (also known as cold creams) typically include one or more of the following ingredients: petrolatum, mineral oil, lanolin, and paraffin wax. In healthy contrast, Kandes Cleansing Cream contains no petrochemicals, mineral oils, or animal proteins. It's pure, natural formula comprises only the finest natural ingredients, including botanical extracts and vegetable-based oils.

Q: Why is it important to maintain proper pH balance on the skin?

A: Your skin is protected by a shield called the pH acid mantle. This is a healthy combination of sweat from the eccrine sudoriferous glands and oil secreted from the sebaceous glands. Skin is slightly acidic (pH5.5–6.5) to protect it from bacteria and pollution, while helping it seal in moisture.

HOW TO USE

Spread an ample amount of product over the entire face. Gently massage entire face with fingertips. Remove the cream with a damp cotton facial cloth.
