

VITAMIN D3

Our new supplement provides ultra-high quality vitamin D in the preferred D3 (cholecalciferol) form. Sunrider® Vitamin D3 is fortified with antioxidant powerhouse vitamin E, plus safflower oil, which contains polyphenols and healthy fatty acids that enhance vitamin D absorption. Benefits include aiding calcium absorption for strong bones and teeth and helping to support the healthy function of the immune system.

BENEFITS

- Helps to build strong bones and teeth
- Helps maintain/support immune function
- An antioxidant for the maintenance of good health
- Helps in the absorption of calcium and phosphorus
- Helps to prevent vitamin D deficiency

1000 IU, 90 soft-gel capsules #01594

INGREDIENT HIGHLIGHTS

SAFFLOWER OIL

This plant oil is a good source of unsaturated fatty acids, which help the body absorb fat-soluble vitamins such as vitamin D.

VITAMIN E

Also called alpha-tocopherol, vitamin E is a potent antioxidant that helps protect against potentially damaging free radicals and supports a healthy immune system.

FRACTIONATED COCONUT OIL

This natural oil contains medium-chain triglycerides (MCTs), which can be used as an instant energy source or turned into ketones, which provide an alternative energy source for the brain.

FAQs

Q: What is vitamin D3?

A: Also known as cholecalciferol, vitamin D3 is a fat-soluble vitamin that supports bone health, immune function, and more. Your body can produce it on its own through the skin cells in response to sun exposure. It can also be obtained through certain food sources and supplements. Sunrider® Vitamin D3 is a way to replicate the vitamin D benefits of sunshine, without exposing your skin to UV rays.

Q: Who needs vitamin D supplements?

A: Vitamin D deficiency is a global health problem. An estimated 1 billion people suffer from serious vitamin D deficiency, while up to half of the global population doesn't have adequate levels of vitamin D. Limited exposure to sunshine, sunscreen use, malabsorption, dietary habits, and a busy lifestyle can all contribute to inadequate vitamin D levels.

HOW TO USE

Adults and adolescents (ages 9 years old and above): Take 1 capsule per day.

<p>Medicinal Ingredients / Ingrédients médicinaux : Each soft-gel capsule contains / Chaque capsule molle contient : Vitamin / Vitamine D3 (Vitamin / Vitamine D, Cholecalciferol / Cholécalciférol) 25 mcg (1000 IU / UI) Vitamin / Vitamine E (d-alpha Tocopherol / d-alpha tocophérol, Glycine max - Seed / Graine) 2 mg AT</p> <p>Non-medicinal ingredients: Safflower Oil, Fractionated Coconut Oil, Gelatin, Glycerin and Water. Ingrédients non médicinaux : huile de carthame, huile de coco fractionnée, gélatine, glycérine et eau.</p>

NOURISH + CLEANSE = BALANCE

Sunrider® products are based on a simple yet powerful idea that blends Traditional Chinese Medicine with advanced science. We call it our Philosophy of Regeneration®. When you nourish with only the finest natural ingredients and cleanse of harmful chemicals and artificial colors, flavors, and preservatives, you bring your body into balance. A balanced body is a healthy body.
