INGREDIENT HIGHLIGHTS

SALICYLIC ACID

Derived from willow bark, salicylic acid is a gentle exfoliant that helps remove dead skin cells and keep pores from clogging.

SHEA BUTTER

The concentration of natural vitamins and fatty acids in shea butter makes it incredibly nourishing and moisturising for skin while also supporting collagen production. It's a natural remedy for dry skin and helps protect the skin's natural oils.

SQUALANE

Our vegetable-derived, premium-grade squalane works wonders on all skin types, helping to hydrate and protect the skin, fight wrinkle formation, and prevent premature aging of the skin.

FAQs

Q: Does Dr. Chen® Youth Masque take the place of Oi-Lin® Clay Mask and Kandens® Revitalizing Mask?

A: No. Dr. Chen® Youth Masque is a hydrating mask, not a cleansing mask. It can also be used as a "sleeping mask," worn overnight to provide deep hydration to moisture-depleted skin cells.

Q: Can I use the Dr. Chen® Youth Masque during the day?

A: Yes, feel free to use the mask whenever you need a burst of moisture that lasts and lasts. Our masque also delivers an instant healthy radiance to your complexion, which makes it ideal for use as a quick "perk-me-up" facial, day or night.

HOW TO USE

Normal skin: Use once every day (usually in the evening) after cleansing and toning. Generously apply masque to face, neck, and décolleté (upper chest area, including the neck, cleavage, and shoulder areas). Product does not need to be washed off.

Intensive treatment: For dehydrated skin, apply a layer of masque over your moisturiser twice a day for one week, or longer as desired. Product does not need to be washed off.
