INGREDIENT HIGHLIGHTS

BEET ROOT EXTRACT

This vegetable extract is rich in vitamin C, which combats free radicals and supports collagen production. Beet root extract also provides instant and long-lasting hydration.

SUNFLOWER SEED OIL

This soothing emollient helps the skin retain moisture and contains a replenishing mixture of vitamins and other nutrients that has a nourishing effect on skin and pores.

ARNICA MONTANA FLOWER EXTRACT

The extract of this flowering plant provides intensive moisture and promotes healthy circulation in the skin.

INULA HELENIUM EXTRACT

This herbal extract is packed with vitamins, minerals, and antioxidants and protects against environmental pollution while hydrating and soothing the skin.

SODIUM HYALURONATE

This powerful humectant has the capacity to draw moisture from the air into the skin to boost hydration levels and promote elasticity.

FAQs

- Q: How does this product fit into the Kandes® Pure skincare regimen?**
- A:** Kandes® Pure Hydrating Gel Cream follows cleansing and balancing and is the final step in Kandes® Pure's gentle yet effective 4-step skincare regimen: 1) Detoxify 2) Purify 3) Refresh 4) Quench
- Q: How does sodium hyaluronate (HA) benefit the skin?**
- A:** As a humectant, sodium hyaluronate has the capacity of drawing in moisture from the environment and helping the skin retain it. Water soluble and with a smaller molecular size than "regular" HA, it's able to penetrate deeper into the skin and provide better hydration. It's commonly used to improve skin firmness, smooth wrinkles, and hydrate skin.

HOW TO USE

Use morning and evening, after cleansing and balancing. Place a small amount on five points of the face (forehead, nose, chin, and each cheek). Smooth from the center outward.
