SCUTELLARIA HERB

This herb is high in flavonoids.

DANDELION

This common flower aids digestion and is high in potassium and vitamin A.*

FAQs

- Q: What are T-cells?**
A: These white blood cells find and fight germs and infections in your body. T-cells are an important part of our immune system.
- Q: What does the immune system do?**
A: Your immune system fights illness, infection, germs, and parasites by trying to rid your body of any unfamiliar cells.
- Q: What is the “wood element”?**
A: In Traditional Chinese Medicine, health is the balance of five elements: wood, fire, earth, metal, and water. Each element has its own qualities in your body. Wood is associated with the liver and its characteristics are ambition, courage, and resourcefulness. A “wood imbalance” can cause you to feel aggressive and impulsive. Alpha 20C® help bring your “wood element” into balance.

HOW TO USE

Take two capsules, or consume one package in 8 oz. of water at mealtimes.

Supplement Facts

Serving Size 1 Package (5 g)
Servings Per Container 30

	Amount Per Serving	% Daily Value
