Product Fact Sheet

Kandesn® Sheer Silk Translucent Powder

GET SMOOTH, GLOWING SKIN

Put a beautiful finish on your beauty regimen with Kandesn® Sheer Silk Translucent Powder, a loose, breathable powder with a light pigment that gives your skin a flawless finish and a long-lasting glow. Lightly dust it on to soften the appearance of imperfections, fine lines, and pores. And it's so featherlight you won't feel like you're wearing anything on your face. Natural ingredients like squalane from olive oil, and other plant-based ingredients, work in harmony with your skin to create a naturally smooth, supple look.

PHILOSOPHY OF REGENERATION®

The formula for Kandesn® Sheer Silk Translucent Powder, which is now talc free, is based on the Philosophy of Regeneration®—the belief that we should nourish and cleanse the body to reach balance, and thus optimal health.

As the largest organ in the body, the skin breathes, absorbs nutrients, and expels waste. Like the rest of our organs, it must be nourished and cleansed. This is why Sunrider doesn't use mineral oil or other inferior ingredients, which clog pores and suffocate the skin. Instead, we use only the finest vegetable-based ingredients and herbal extracts to nourish, cleanse, and balance the skin to promote skin health and natural beauty.

INGREDIENT HIGHLIGHTS

SQUALANE

This olive oil-based emollient has powerful antioxidant properties and is an animal-friendly alternative to shark liver-based squalene. It delivers moisturizing effects that help restore lost oils when applied to the skin. Non-irritating, it works wonders on all skin types, helping to hydrate and protect the skin to fight wrinkle formation and prevent premature aging of the skin.

FAQS

Q: When should I use Kandesn® Sheer Silk Translucent Powder?

A: We suggest finishing your beauty regimen with Kandesn® Sheer Silk Translucent Powder. This final application creates a smooth look and imparts an even-toned, glowing appearance. This finishing touch also perfects and sets makeup while adding to its longevity.
