INGREDIENT HIGHLIGHTS

ALOE VERA GEL

Aloe vera is rich in vitamin C, E, and beta carotene, which gives it its nourishing qualities. It moisturises the skin without making it greasy, so it's suitable for those with oily skin.

ROSEMARY LEAF EXTRACT

The stimulating properties of rosemary may help support elasticity, making skin look firmer and more supple.

FAQs

Q: Why is Oi-Lin® Liquid Soap superior to other soaps?

A: Many commercial soaps use synthetic ingredients and overpowering artificial fragrances, and they often contain harsh ingredients that strip the natural oils from skin, which can cause excessive dryness, making the skin more susceptible to infection and irritation. The chemicals contained in the fragrances in scented soaps can cause additional problems. In healthy contrast, Oi-Lin Liquid Soap is expertly formulated with natural ingredients such as rosemary extract, aloe vera, panax ginseng root, cucumber extract, and orange peel extract. Oi-Lin Liquid Soap keeps the natural acid mantle on the skin intact, which enables it to retain moisture better.
