INGREDIENT HIGHLIGHTS

PASSION FLOWER

Passion Flower is traditionally used in Herbal Medicine as a sleep aid in cases of restlessness or insomnia due to mental stress.

JUJUBE SEED

The seeds, fruit, and bark of jujube have been used in traditional medicine for anxiety and insomnia, and as a digestive aid.

PORIA COCOS

This type of mushroom contains several substances thought to promote good health, including polysaccharides, known to help support the immune system, and triterpenoids, a class of compounds with antioxidant properties.

GREEN TEA LEAF

The leaves of this tea plant contain polyphenols, as well as L-theanine, a relaxing amino acid that helps to temporarily promote relaxation.

CHEROKEE ROSE

Contains vitamin C and flavonoids, antioxidants known for their anti-inflammatory and immune system benefits.

HOW TO USE

Adults: Steep 1 Calli® tea bag in 2-4 cups of hot water for 3-5 minutes depending on strength desired. Use 1-2 tea bags before bedtime. Take with food. For prolonged use, consult a health care practitioner.

FAQs

Q: Does Calli® Night cause drowsiness?

A: No, Calli® Night allows you to relax but not be drowsy. In fact, many people drink Calli® Night throughout the day to help alleviate stress and calm the mind, which in turn, enables better focus and clarity.

Q: What's different about how Sunrider makes its herbal beverages?

A: Sunrider's proprietary process of extraction and concentration greatly enhances the release of phytonutrients such as tea catechins, antioxidants, and bioflavonoids that the usual methods of grinding and mixing cannot achieve.
