

SUNNY FRESH®

Sunrider's herbal-based loquat and honey syrup helps provide soothing, cooling relief for the throat. It contains a potent blend of concentrated blend of herbs including licorice, traditionally used in herbal medicine as an expectorant to help relieve chest complaints, such as catarrhs, coughs and bronchitis, and to help relieve inflammatory conditions of the gastrointestinal tract, such as gastritis in adults, as well as peppermint traditionally used to freshen breath. Keep Sunny Fresh® handy for the times when you need a natural solution to soothe your throat.

BENEFITS

- Helps soothe and cool the throat
- Freshens breath
- Alcohol-free
- Made with natural ingredients
- Handy vial for on-the-go use

FAQ

Q: What makes Sunny Fresh® unique compared to other loquat throat syrups?

A: Many loquat-based throat products contain a high percentage of honey, often around 70%. Sunny Fresh® is formulated with a focus on loquat and contains only 20% honey, allowing the herbal ingredients to take center stage.

HOW TO USE

Adults: Take 1 (15 mL) bottle of Sunny Fresh® daily. Consult a health care practitioner for use beyond 4-6 weeks.

INGREDIENT HIGHLIGHTS

LOQUAT

Traditionally used in herbal medicine to support respiratory health. Loquat leaf helps clear lung heat and soothe coughs associated with phlegm and throat irritation.

CHRYSANTHEMUM

Traditionally used in herbal medicine to help cool the body and support respiratory wellness. Often chosen to ease sore throats and calm heat-related discomforts.

HONEY

A time-honored natural sweetener, honey is traditionally used to help soothe the throat and ease irritation. Its smooth texture and gentle properties make it a comforting addition to herbal remedies.

MENTHOL

Known for its refreshing taste and aroma, peppermint is traditionally used in herbal medicine to support digestion and freshen breath. It adds a cooling sensation that complements the formula's soothing effects.

Always read the product label – Use as directed.

The information provided for the Recommended Use is applicable to products sold in Canada only. Please note that daily dosage and labeling instructions differ between Canada and the United States. Also, please be aware that everyone's body is unique and may react differently to our products. The Recommendation for this product should be treated as the maximum daily recommended dosage for adults.
