## FAQs

**Q: What are the benefits of protein?**

**Q: Does SunFit® Protein Plus provide complete protein?**

**A:** Absolutely. Our blend of pea and rice proteins supplies all nine essential amino acids and the high-protein benefits of a dairy or whey protein but in a 100% vegan formula. It's the ultimate way to fill nutritional gaps.

**Q: What's the best way to enjoy SunFit® Protein Plus?**

**A:** Its neutral flavor complements just about anything. Mix it into smoothies for a creamier consistency and an extra protein punch. Add it to NuPlus® or VitaShake®, or top off oatmeal, yogurt, or your favorite dish or drink.
