100 capsules #28011

INGREDIENT HIGHLIGHTS

DANDELION ROOT

Although it has a reputation as a pesky weed, this flowering plant has a long history of therapeutic use. Dandelion root contains essential fatty acids, vitamins, and minerals to support overall health. This nutrient-rich plant is also full of potent antioxidants, which are molecules that help neutralize or prevent the negative effects of free radicals in your body. Dandelion root is a rich source of iron, a key component of hemoglobin (a protein in blood that carries oxygen to all tissues and organs).*

FAQs

Q: How does Sunrider® Dandelion Root support healthy digestion?

A: The root of the dandelion is rich in the carbohydrate inulin, a type of soluble fiber found in plants that supports the growth and maintenance of a healthy bacterial flora in your intestinal tract.*

Q: How does Sunrider® Dandelion Root relieve pain and inflammation?

A: Dandelion contains essential fatty acids, antioxidants, and phytonutrients that combine to naturally support alleviation of inflammation and pain throughout the body.*

HOW TO USE

One or two capsules at meal time.
