

CALLI®

A proprietary blend of green tea and herbal extracts, this “super tea” is made with our exclusive concentration method that enhances the release of tea catechins, bioflavonoids, and other potent antioxidants in a way not possible with traditional grinding. Calli® protects against free radicals while supporting your body’s natural cleansing and digestive processes, to ultimately boost the delivery of vital micronutrients. Delicious hot or cold, it makes a healthy replacement for coffee, tea, latte, and cola.

BENEFITS

- Soothes with healthy hydration
- Cleanses with natural antioxidants
- Four times more concentrated than traditional green tea
- Zero fat, preservatives, or artificial sweeteners
- No added caffeine or sugar
- Delicious hot or cold

FAQs

Q: Does Calli® have caffeine?

A: Our nine-step proprietary process reduces caffeine content until only trace amounts of natural caffeine remain. Calli® contains no added caffeine, preservatives, sugar, or artificial sweeteners. Drink it during the day to help you relax. For an extra soothing cup, try Calli® Night, which contains an exclusive blend of herbs that promotes a good night’s sleep.

Q: What’s different about how Sunrider makes its herbal beverages?

A: Sunrider’s proprietary process of extraction and concentration greatly enhances the release of phytonutrients such as tea catechins, antioxidants, and bioflavonoids that the usual methods of grinding and mixing cannot achieve.

HOW TO USE

Steep one Calli Herbal Tea bag in 16 ounces (480 mL) of water for three to five minutes. Remove bag. Take one tea bag daily.
