

Product Fact Sheet

Veros®

THE NATURAL ENERGIZER

This super-concentrated herbal formula is designed to support a healthy libido and enhance physical performance. Made with an expertly calibrated blend of nutrients, Veros® supports high energy levels, enabling you to maximize athletic performance and fitness results. By speeding up recovery time, Veros® also helps you increase the frequency of your workouts. Due to its special formulation, Veros® can also be used to help men by promoting optimal sexual performance.

PHILOSOPHY OF REGENERATION®

Based on the Philosophy of Regeneration®, Veros® uses a variety of select plant-based extracts to improve fitness and performance. Unlike competing brands that are loaded with synthetic chemicals, Veros® is made with natural ingredients, free of added hormones and stimulants.

INGREDIENT HIGHLIGHTS

BARRENWORT LEAF

This herb has been used in traditional Chinese medicine for thousands of years to promote male potency and as an herbal aphrodisiac. A key agent in this herb is icariin, known to increase nitric oxide levels, which supports blood flow and healthy circulation in the body.

PANAX GINSENG ROOT

This herb has been traditionally used to support thinking, concentration, physical stamina, and athletic endurance.

FAQS

Q: Is Veros® just for men?

A: No. Veros® can be used by both sexes to improve energy, strength, and stamina, and is especially beneficial for those over 40. Veros® also delivers a host of additional benefits, including supporting healthy circulation, bone strength, and skin tone.

RECOMMENDATION

Pre-workout: Take 1–2 capsules 10–15 minutes before workouts for increased energy and endurance.

Post-workout: Take 1–2 capsules (with food) within 30–45 minutes after working out to assist with post-workout recovery. To support improved sexual performance, take 1–2 capsules before sexual activity.
