

VITASHAKE®

Satisfy your hunger, fuel your body. Crafted with naturally derived ingredients and packed with vitamins, minerals, electrolytes, and prebiotic fructooligosaccharide (FOS), our nutrient-dense powder makes a convenient and wholesome addition to your daily routine. VitaShake® is naturally delicious and free of artificial sweeteners, flavors, and preservatives.

BENEFITS

- Quick, nutritionally balanced supplement to help fill nutritional gaps
- Formulated for superior nutrient absorption
- Contains macronutrients and micronutrients
- No artificial sweeteners, flavors, or preservatives

10/25 g stick packs
Strawberry Flavour #01862
Cocoa Flavour #01863

INGREDIENT HIGHLIGHTS

COIX SEED

Derived from the Coix lacryma-jobi plant, coix seeds contain a variety of bioactive components, including polysaccharides, proteins, lipids, phytosterols, and carotenoids. The seeds also contain polyphenols, which have been termed “lifespan essentials” due to their significant impact on health.

FRUCTOOLIGOSACCHARIDE (FOS)

FOS is a type of prebiotic that acts as a food source for probiotics in the gut. Unlike other carbohydrates, FOS cannot be absorbed or broken down by the body, making it an ideal nourishment for probiotics. By providing fuel for probiotic growth, multiplication, and survival, FOS promotes a healthy balance of beneficial bacteria in the gut.

CALCIUM

This essential mineral supports the development and maintenance of bones and teeth. It plays a vital role in various bodily functions, including regulating the heartbeat, maintaining muscle function, transmitting nerve impulses, and stimulating hormone secretion. As an electrolyte, calcium contributes to overall health maintenance.

BETA-CAROTENE

Naturally present in many fruits and vegetables, beta-carotene converts into vitamin A in the body. Vitamin A is essential for maintaining healthy vision, promoting proper immune function, and supporting the development and maintenance of bones and teeth.

FAQ

Q: What is VitaShake® and how can I enjoy it?

A: VitaShake® is a nutrient-dense powder made from naturally derived ingredients and contains concentrated herbs, vitamins, and minerals. It helps fill in any nutritional gaps in your diet and has the added benefit of FOS, a prebiotic to support digestive health. You can enjoy VitaShake® mixed with water or as a creamy shake blended with milk or an alternative milk of your choice. Delicious, nutritious, and convenient, VitaShake® complements a healthy, active lifestyle.

HOW TO USE

Adults: Take one package per day, mixed with 180 mL–240 mL of water, in a shaker bottle. Take with food a few hours before or after taking other medications or natural health products. May be sweetened to taste.

Cocoa Flavour

Medicinal ingredients / Ingrédients médicinaux:	
Each package (25 g) contains / Chaque sachet (25 g) contient:	
Coix seed / Graine de coix (Coix lacryma-jobi var. ma-yuen, Seed / Graine)	6.25 g
Fructooligosaccharides (Cichorium intybus, Root / Racine)	1.5 g
Chinese yam / Igname de Chine (Dioscorea polystachya, Rhizome)	1.32 g
Foenut / Eur Yale (Euryale ferox, Seed / Graine)	1.25 g
Lotus (Nelumbo nucifera, Seed / Graine)	750 mg
Lotus rhizome node / Nœud du rhizome du lotus (Nelumbo nucifera, Rhizome)	750 mg
Bulbus lili (Lilium brownii, Bulb / Bulbe)	500 mg
Imperata / Impératè (Imperata cylindrica, Root / Racine)	175 mg
Magnesium / Magnésium (Magnesium oxide / Oxyde de magnésium)	105.5 mg
Phosphorus / Phosphore (Potassium phosphate, dibasic, calcium phosphate, tribasic / Phosphate de potassium, dibasique, phosphate de calcium, tribasique)	77.8 mg
Calcium (Calcium phosphate, tribasic, calcium carbonate, calcium d-pantothenate / Phosphate de calcium, tribasique, carbonate de calcium, d-pantothénate de calcium)	76 mg
Niacinamide (Niacinamide ascorbate / Ascorbate de niacinamide)	8.4 mg
Vitamin E / Vitamine E (D-alpha-tocopheryl acetate / Acétate de d-alpha tocophéryle)	6.83 mg AT (7.5 mg)
Acétate de d-alpha tocophéryle	6.83 mg AT (7.5 mg)
Zinc (Zinc oxide / Oxyde de zinc)	3.76 mg
Beta-carotene / Bêta-carotène	2.50 mg
Iron / Fer (Iron (II) fumarate / Fumarate de fer (II))	1.23 mg
Pantothenic acid / Acide pantothénique (Calcium d-pantothenate / D-pantothénate de calcium)	1.15 mg
Riboflavin / Riboflavine	0.5 mg
Vitamin B6 / Vitamine B6 (Pyridoxine hydrochloride / Chlorhydrate de pyridoxine)	0.5 mg
Thiamine (Thiamine mononitrate / Mononitrate de thiamine)	0.46 mg
Copper / Cuivre (Copper (II) gluconate / Gluconate de cuivre (II))	700 mcg
Iodine / Iode (Potassium iodide / Iodure de potassium)	38.2 mcg
Vitamin B12 / Vitamine B12 (Cyanocobalamin / Cyanocobalamine)	1.5 mcg

Contains Milk and Soybeans.
